BSIMA AGM – October 6<sup>th</sup>, 2021

BWMSB/ESB Report 2020-2021

Respectfully submitted by: Graydon Cramer, Erin Dodds and Brooklyn Friesen

Last school year the BWMSB and ESB band programs were put on hold by the BSD as part of their COVID measures. In September/October the three of us coordinated to get band instruments into the hands of as many grade 8's who took band the previous year as possible. The goal was to potentially give some band instrument instruction on the side or through music/arts classes we were teaching at those schools. Around 20 grade 8's ended up taking instruments for the year.

Starting in November we were moved to different positions for the duration of the year while BSD was in code orange. In June, we coordinated with Melissa (BSIMA admin) to have the instruments returned for summer cleaning.

We are extremely excited to have resumed band classes this fall!

Sincerely,

Brooklyn, Erin, Graydon
